

IN THE ABSTRACT

Please amend the abstract as follows. A clean, replacement Abstract is submitted herewith on a separate sheet.

Abstract of the Disclosure

AS
A digital camera includes a processor and a microphone. The camera captures audio speech and converts the speech to text. The text can be combined with a captured image to provide a composite file. The processor executes an instruction set which performs ~~preforms~~ the audio to text conversion. Text conversion is activated using either a user activated input control[[,]] or through voice commands.
